I am Chiriemie Keith G. Rimando, an aspiring web designer from the Philippines with hands-on experience in creating responsive and visually engaging websites. I'm skilled in HTML, CSS, and JavaScript, with a strong focus on clean layouts, user experience, and interactive design. I enjoy turning ideas into web interfaces that are both functional and aesthetic.

EXPERIENCE

HEADER & FOOTER

Developed clean, responsive header and footer designs to ensure consistent site structure across pages. Focused on layout practice, usability, and intuitive site navigation.

HERO SECTION

Built an animated hero section featuring immersive visuals while maintaining clean layout and responsiveness.

PERSONAL PORTFOLIO WEBSITE

Created a full personal website inspired by Netflix UI. Highlights clean HTML structure, custom CSS styling, and JavaScript-based interactivity across multiple sections.
